Technical Evaluation Report for Independent Compliance Audit

A Request for Proposal (RfP) was circulated by Quaid-e-Azam Solar Power (Pvt.) Ltd. via advertisement in newspapers regarding the hiring of Independent Compliance Audit dated 29th November 2015 on 2 envelop method with a deadline to submit bids of 14th December 2015. The RfP was also uploaded on PPRA and QA Solar website.

Only one bid by PV Lab Pakistan was received by the deadline and was opened in the presence of bid opening and evaluation committee members and bidder's representatives on 14th December 2015 in QA Solar office.

As per the RfP, the minimum score required for technical qualification is 65 points. The technical evaluation of the bid was carried out by the committee. The bid was found to be complete with all requisite forms and information provided.

After the evaluation, the technical score achieved by the bidder is 69.5. Therefore, the bid passes the technical evaluation.
